Modernism

Known for his abstract paintings, Mondrian used the simplest combination of straight lines & right angles, creating geometric shapes and bold primary colors -- red, blue & yellow.

MONDRIAN ART

TAKE IT OUTSIDE! RECREATE A MONDRIAN WITH SIDEWALK CHALK.

Using masking tape, outline a large rectangle. Subdivide it into other smaller rectangles and squares. Color it in with sidewalk chalk. Then pull off the tape. And voila! You've created a neighborhood art gallery.
